Gleaning - ancient practice turns into modern social innovation

FUSIONS united against food waste in Copenhagen

On October 4th, United Against Food Waste gathered 6000 people and leading stakeholders in Copenhagen. The event was initiated by FUSIONS Partner, Selina Juul, under the FUSIONS umbrella.

FUSIONS needs you!

There is still time to submit your social innovation proposals to reduce food wastage via our [survey](#). A feasibility

As FUSIONS continues its review and evaluation of socially innovative practices for optimised food use, one in particular caught our attention: gleaning. A practice that dates back to medieval times, gleaning is today a growing global movement aimed at getting unharvested crops out of the fields and into the mouths of people in need.
