

1st European FUSIONS Platform Meeting

17 & 18 October

Amsterdam, the Netherlands

First impression

Reducing food waste through social innovation

FUSIONS EU project is supported by the European Community's Seventh Framework Programme under Grant Agreement no. 311972.

Dear participant to the first European FUSIONS Platform meeting,

Thank you for your participation, we hope you enjoyed your stay at Amsterdam, and of course, the presentations, discussions and networking opportunities during our Platform meeting event.

About 140 people attended our event, from various stakeholder organisations, from farmers to food industry, retail, waste management, consumer organisations, knowledge institutes, and food banks.

We are proud to present you a few highlights of the meeting. A full overview of the presentations and discussions will be made available as well.

Kind regards, the coordination team from Wageningen UR
