Food waste in commercial catering

NO PLASTIC. NO ALUMINIUM.

Fighting against food waste and promoting waste reduction.
Plastic or aluminium containers create additional waste.

Their recycling rate is very low!

IMPORTANT RECOMMENDATIONS:

These recommendations help consumers to be well informed about the use of the box and the food to consume later:

Mettre au réfrigérateur
dans les deux heures

Consommer dans
les 24 heures

Ne pas congeler

Réchauffer qu'une
seule fois

They reassure both
the restaurateurs and consumers.
